

Dear Morse Parents:

The PTO Trivia Night Committee would like to invite you to the 6th Annual Adult Trivia Night on Friday, March 6, 2020. This year's trivia will have a Saturday Night Live theme and costumes are encouraged but not required. Prizes will be awarded so be creative and have fun! The doors and auction will open at 6:30 with dinner served at 7:00 and Trivia starting at 7:30. The event will be held at the Camelot Ballroom located at 6635 151st St, Overland Park, KS 66223.

The night will include a fun Trivia Game Series hosted by the crowd favorite, Brian Agovino (back by popular demand), food and beverages, and a cash bar for our guests. There will be a silent auction, a chance to win a special activity for your children to enjoy with a Morse staff member, and grade level art projects made by the students at each particular grade!

This community building event will not only provide parents with a fun and memorable night out with friends and staff from Morse, but will also help raise funds for our PTO.

Ticket Prices are \$35.00 per person or \$280 for a table of 8. Don't have a table preference? No problem! We will make table assignments.

If your order form is turned in after February 7th ticket prices go up to \$40 per person and \$320 for a table of 8, so get your money and response cards in early!

We are looking forward to seeing you at Trivia Night!
