School Pick-Up

- **Carpool line:** The car pick-up line can be overwhelming, so come prepared. The line usually begins forming around 3 pm. Please make sure your family's number is visible for the person coming by calling numbers. The principal will come through the line and call your child or children by the family number and they will come out to the car. To enter the carpool line, please remember to enter the parking lot from the south entrance. PLEASE SEE ADDITIONAL SHEET FOR FURTHER CARPOOL INSTRUCTIONS AND MAP for flow of traffic.
- **Bus/Daycare Van:** The teachers will assist in loading the buses for dismissal.
- **Walker pick-up:** If your child is a walker into the Morse Village they will cross the crosswalk with the help of the crossing guard. If your child is a Blue Stem Walker, you can meet your child outside by the pond doors.

Helpful Hints

- Visitors must enter through the office, show a valid government issued ID (ie. driver's license) and sign-in (where you will get a visitor sticker.) Visitors need to inform the office administrators of the reason for the visit and the office administrators will facilitate getting your child to the office. (ie. Picking up your child early, dropping off forgotten lunch/homework.) **PLEASE DO NOT GO INTO THE SCHOOL WITHOUT CHECKING IN AT THE OFFICE.**
- All but one door to the school is locked after school starts to facilitate safety for staff and students.
- Please refer to the Nut-Safer Approved Snack List on the Morse website for **ALL** snacks, birthday and party treats. **NO HOMEMADE TREATS ARE ALLOWED.**
- If you will be having lunch with your child, please sign-in at the office and wait in the front lobby area for your child's class. Do not go back into the classroom.

MORSE PTO Carpool Procedures

We appreciate your cooperation in making the carpool safe and efficient for everyone.

- Enter the carpool line by heading NORTH on Monrovia and turning right into the first entrance to the parking lot. There is a NO LEFT TURN sign with specific hours posted as you head south on Monrovia.
- When dropping off or picking up, please pull up as far as possible. This means you may wind up at the top of the circle drive. This allows us to unload or load more students at a time.
- If you feel your child needs extra help getting in and out of the car, park in the parking lot and walk them to/from your car. It holds up the carpool line if we have parents getting out and walking around the car to help children in and out of cars. There are teachers outside that can assist if needed.
- Only unload or load students on the curb side of your vehicle.
- Please use extreme caution when pulling out from the car pool line. Watch out for students in the
- crosswalk as well as other moving cars.
- If you choose to park on side streets, walk your child across all streets and use the crosswalk at the top of the circle drive. Please note the NO PARKING signs on Monrovia and 152nd Street.
- Please remind your child to be looking for you after school; students can get pre-occupied and not see you.
- STUDENT DROP OFF TIME IS 8:15 - if you need to drop them off earlier than 8:15, please contact Y-club for child care arrangements. After 8:15 students may enter the building and will be supervised inside until 8:25, when they will be dismissed to class. School begins at 8:35 am. If you arrive after that, please walk your student in the office to sign them in.
- All students, including kindergarten should use the carpool line. Do not use the bus circle for drop off. The bus circle must be kept clear at all times. It is only for bus use, no car drop off please.
- Please pick students up on time; school is dismissed at 3:45.
