## Morse PTO Calendar of Events

### Fall Semester 2020

In light of the financial and logistical impacts of the Coronavirus outbreak on families, businesses, and our school community, Morse PTO has decided to cancel Trivia Night for the 2020-2021 school year. In addition, the Mother/Son event will be moved to the winter. If possible, we hope to host a low-key, community-centered event in the fall that follows all safety regulations and recommendations. Morse PTO looks forward to the day when we can celebrate our community together again.
