

Dear Morse Elementary Teachers,

The PTO Board is pleased to make grant funding available for teacher-sponsored projects that will benefit Morse Elementary students. As in the past, we plan to allocate our Take Stock Funds to fulfill your grants!

Morse teachers and staff who are 2021-2022 PTO members may apply for PTO grants. Attached is a copy of the teacher grant application and a Morse PTO member form, in case you still need to join. In order to apply for grant funds, please complete the application form, attach a detailed budget of your proposed project, and return them to the PTO mailbox **no later than 3pm Friday, October 1, 2021**.

Please note. the grant application form requires you to obtain approval from the principal prior to submitting your grant application to the PTO board.

Thank you for all you do to educate and enrich the lives of Morse Elementary students each and every day. We appreciate you!

Sincerely,
Brooke Johnson
Morse PTO President
